**CHEF DECK PLAYING CARDS**

#PC-001  
3.5" X 2"

The Chef Deck is a full set of 54 playing cards. The illustrations are inspired by minimal Mid-Century Modern geometric design and has a retro vibe and a fun, bright color palette. These are fully functional playing cards and the standard suits have been replaced by cooking utensils for a fun spin on the traditional deck. The face/royal cards feature all female chefs.

The standard suits are replaced with kitchen tools and foods:

- Ladle/soup (appetizer)
- Bread knife/bread (side dish)
- Spatula/burger (main dish)
- Whisk/cake (dessert)
